Habit of the Month

Habit 2: Begin with the end in mind

"We may be very busy, we may be very efficient, but we will also be truly effective only when we begin with the end in mind."

- Stephen Covey

Habit 2: Begin with the end in mind

I plan ahead and set goals. I do things that have meaning and make a difference. I am an important part of my classroom and contribute to my school's mission and vision. I look for ways to be a good citizen.

Ways students can be begin with the end in mind at home:

- **Set a goal make a plan**

Are you going to save money by doing chores?

Are you going to improve in a sport?

Are you going to challenge yourself to be kind to others each day?
