Assistant Principal

Welcome to Oakwood Elementary School.

I am honored to serve as the principal at OES. It is truly a privilege to be a part of a strong and successful community where parents, teachers and students care for each other and strive to build positive relationships that support academic and social growth.

As the principal at Oakwood Elementary School, I want to work with parents to foster a safe and positive learning environment where all students experience high quality instruction, are held to high expectations and learn to the best of their abilities. All of us at Oakwood Elementary work to create and support a community dedicated to academic success. Our mission is to equip our students with the skills and knowledge necessary to be successful in school and in society. Our teachers utilize research-based strategies and analyze academic data to determine current skill levels and to set goals for growth and improvement. I believe when students, parents and school staff work together a foundation has been laid that success can be built upon.

Please feel free to contact me at jeremy.boleman@hallco.org or (770) 532-1656.

Sincerely,

Jeremy Boleman
