

**School-Parent Compact**  
**Oakwood Elementary School**

Revised June 28, 2023

Dear Parent/Guardian,

Oakwood Elementary students participating in the Title I, Part A program, and their families, agree that this compact outlines how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievement as well as describes how school and parents will build and develop a partnership that will help children achieve the State's high standards.

**Jointly Developed**

The parents, students, and staff of Oakwood partnered together to develop this school-parent compact for achievement. Parents are encouraged to attend annual revision meetings held in during the Spring each year to review the compact and make suggestions based on student needs and school improvement goals. Parents are encouraged to participate in the annual Title I parent survey that is also used as a tool to collect parent feedback regarding the current Title I programs and policies. Please call or email us if you need assistance with childcare or transportation in order to participate in our programs.

To understand how working together can benefit your child, it is first important to understand our district's and school's goals for student academic achievement.

**Hall County School System Goals:**

By the end of FY24, the percentage of students in each subgroup moving into the "Proficient" and "Distinguished" levels of performance on the Georgia Milestones Assessments will increase by 2% in the "Proficient" and "Distinguished" levels of performance.

Increase the percentage of referred students who access school-based mental health services by 2% each year (with FY21 being the baseline year) to decrease the number of OSS days in grades 6-12.

**Oakwood Elementary Goals:**

*By the end of FY24, the percentage of students in the 1st-40th percentile level of achievement on the MAP assessment in the area of Reading will decrease by 2% when comparing Fall to Spring performances.*

*By the end of FY24, the percentage of students in the 1st-40th percentile level of achievement on the MAP assessment in the area of Math will decrease by 2% when comparing Fall to Spring performances.*

**School Responsibilities:**
